

Holy Spirit
EPISCOPAL SCHOOL

Media Opt-Out Form

I understand that Holy Spirit Episcopal School frequently has the opportunity to promote the School, the students, and/or faculty and staff through the communications media that necessitates using students' photos and/or work in publications. Such publications include the newsletter, brochures and the Holy Spirit Episcopal School and church website. If you **DO NOT** grant permission for Holy Spirit Episcopal School to use your child's photograph and/or work, **please sign below**. Holy Spirit Episcopal School must have this on file or the School will assume the right to use the photos and/or work. Your election in this regard will be effective for all purposes in the future unless and until you provide express written direction to the contrary.
