

**Distance Learning Acknowledgment Relating to COVID-19**

I understand and acknowledge that even though my enrolled child \_\_\_\_\_ is welcome to participate on campus at Holy Spirit Episcopal School, I have chosen for my child not to start the 2020-2021 school year on campus, and have instead, voluntarily elected to continue my enrolled child’s education through distance learning.

I understand and acknowledge that the daily school schedule for distance learning can vary, or be amended, altered, or modified from the on-site school schedule. I understand and acknowledge that distance learning can vary, or be amended, altered, or modified from the curriculum provided on-site. I further understand and acknowledge that my enrolled child will participate in the school’s daily curriculum as it is presented by the distance learning instructor in charge. Thus, I understand and acknowledge that my enrolled child must login to the distance learning platform, Google Classroom or Seesaw (assigned based on the grade level), at the beginning of the online learning schedule, and then must logout at the end of the online learning schedule, detailed in the guidelines for each grade or class. Moreover, I understand and acknowledge that my enrolled child’s attendance can be taken and recorded as it would on-site, at school.

I understand and acknowledge that my enrolled child is bound by all school policies, rules, and procedures, as if my enrolled child were attending on campus, including but not limited to the Student Handbook and the Return to School Plan for 2020-2021.

I also understand and acknowledge that my voluntary election to have my child participate in school via distance learning does not reduce, nullify, or otherwise alter my tuition payments and obligations.

By signing below, I understand and acknowledge the above.
