# HOLY SPIRIT ENRICHMENT FUND

ENRICHING  
THE HSES EXPERIENCE  
SINCE 1991.

Engaging, inspiring education for infants through 8th grade  
in the heart of West Houston.

Holy Spirit Episcopal School is committed to **academic excellence** and developing a spiritual foundation along with leadership skills in a nurturing, flexible, and inclusive environment. HSES prides itself on preparing **the whole student** for their unique future. Our faculty members support each child's **individual learning style**, and the HSES curriculum ensures not just readiness but excellence in Science, Technology, Engineering, Arts, and Math.

Each gift to the **Holy Spirit Enrichment Fund** touches every part of campus and directly supports classrooms, from science equipment to art supplies and instruments, field trips, and much more. Your partnership also benefits our renovation of the HSES library and enhancing the **student experience** during the 2023-2024 school year.

## PROTECT OUR LEGACY

Since 1962, Holy Spirit Episcopal School has educated more than **17,000 children** in Houston's Memorial neighborhood.

HSES provides educational and spiritual **foundation** in children so they may go on to succeed in all areas of their lives.

Protect the **legacy** of love and compassion for future generations by providing an opportunity for children to grow.

## YOUR GENEROSITY

Each gift to the Holy Spirit Enrichment Fund sparks an investment that will continue to multiply and grow in the years to come. Your financial support helps us develop and enhance the academic experience in a safe and nurturing environment for every child.
